Central Arizona Butterfly Association(CAzBA)

Field Checklist of the Butterflies of Central Arizona

The mission of CAzBA is to promote the enjoyment of recreational butterflying by providing educational, research, and recreational opportunities to schools and the public throughout central Arizona.

This checklist contains roughly 200 Species that have been recorded in Central Arizona which includes Gila, Maricopa, Pinal, and Yavapai Counties. The checklist follows the taxonomy and nomenclature of the North American Butterfly Association (NABA). www.naba.org
